Attorney Docket No.: SHIN3.001APC	:	PETITION
For: Portable Gas Sensor And Method	:	
For Calibrating The Same	:	

The petition to revive under 37 CFR 1.137(b) filed 30 March 2005 in the above-captioned application is hereby **GRANTED** as follows:

Applicants state that "the entire delay complying with the requirements under 35 U.S.C. §371 from the due date until the filing of a grantable petition under 37 CFR §1.137(b) was unintentional." This is being construed as a statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional." Petitioner must notify the Patent and Trademark Office if such an interpretation of the statement in the petition is not correct. Thus, the statement in the petition is being accepted in satisfaction of 37 CFR 1.137(b)(3).

A review of the application file reveals that counsel has filed the required reply in the form of the basic national fee, and has paid the petition fee. Thus, the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

The \$65.00 surcharge under 37 CFR 1.492(h) is being charged to Deposit Account No. 11-1410, as authorized by the transmittal letter filed on 30 March 2005.

This application is being forwarded to the United States Designated/Elected Office for further processing. Its date under 35 U.S.C. 371(c)(1), (2) and (4) is **30 March 2005**.
